

AIM company which broadcasts the psychic TV channel Your Destiny, on Sky, thinks it can see into the future, and it reckons it will soon be making substantial revenues from the current gambling mania. It is launching mobile phone games that can be played for as little as 10p a go. They will be branded with, and co-promoted on TV. Customers will be able to play blackjack roulette, poker and "fortune teller", a fruit machine that also provides daily horoscopes. VISUMEDIA
