

# Stylefile

● English leathersgoods manufacturer **Daines and Hatherway** has commissioned Adam Atkinson to create The Ultimate Collection. Taking inspiration from the brand's archives and heritage, the collection has been crafted from Bourbon leather, which has been developed especially for the range. The collection comprises of man bags and satchels and each piece has a rich waxy feel. To complement, wallets and credit card cases are available, each lined with a super soft luxury suede leather.

## Spanish flair

● Spanish handbag brand **Volum's** s/s 11 Casual collection features large everyday bags available in a range comprising light pastels, bold and bright primary colours and shades of green and blue, whilst minimal retro influences can be found in reference to 90s America. The Fiesta collection, on the other hand, includes an extensive range of clutch bags and soft, lightweight evening bags made with metallic details, natural fabrics, rhinestones, crystals and beading. Glamorous and stylish, the Fiesta collection will make the perfect accessory for summer events such as weddings. [www.volumbags.com](http://www.volumbags.com)

● Those who love statement accessories will be spoiled for choice with London brand **LYDC's** current range of multi-coloured, textured and highly embellished styles, with pink, plum, green and yellow the key colours for the season. The current line also includes prints from the animal kingdom including mock croc, embossed crown logos, chain detailing, and oversized buckles. Styles featured include stylish laptop and business bags, travel lines and clutches for eveningwear, with gift and lifestyle ranges soon to be added. [www.lydc.co.uk](http://www.lydc.co.uk)

## The Italian job

● The city of Florence provided the inspiration for **Samia Kamar's** a/w 10 collection. Each bag draws its name from an Italian flower, while signature styles include the laser-cut Ortensia clutch with an antique lace finish and the Peonia hobo in a rich colour palette of purples, burnt reds and chocolate browns. Small shoulder bags and larger slouch styles are also featured, trimmed with leather or patent with gold hardware in the form of fierce studs. [www.samiakamar.com](http://www.samiakamar.com)

## New direction for Jianhui

● Jewellery label **Jianhui London**, formally known as Aventure London, has re-branded in line with its new direction. Whilst promising to continue to market many of its iconic pieces, the brand has launched three new high-end fashion collections. Monet, Chelsea Rose and Daisy will be supported by a consumer PR programme in order to raise the awareness of the brand, whilst its new website allows customers to see details of the new pieces via an online look book.
